St. Theresa Scrip / Gift Card Program

Welcome back to another exciting school year! St. Theresa School is once again offering family fundraising through the Shop With Scrip gift card program. How does it work? Participating scrip retailers agree to sell gift certificates to our school at a discount. Families buy the certificates for full face value and redeem them for full face value. Our school keeps the discount and deducts it from your family fundraising amount. **You would be surprised at how quickly the discounts add up** just by using gift cards for your everyday shopping!
